Annette Reynolds is a writer and labyrinth maker. She is an author of several books and workshops on the subject. She is the founder of the American Labyrinth Institute and a member of the International Labyrinth Association. She is also known for her work with the Native American community, promoting the use of labyrinths as a spiritual tool.

Annette Reynolds used by permission of Alabama Wildflower Society.

Annette walked in, and found herself in awe of Manitou. She had heard stories of the cave for years, but had never had the opportunity to visit it herself. As she stepped inside, she was greeted by a cool breeze and the sound of water dripping in the distance.

Annette set out on a quest. In 2015, she raised enough funds through anonymous donors to the creek. She knew that she was on the right track when she heard the sound of flowing water inside the cave.
